# DESIGNED WITH DETAILS IN MIND.

Keep your investment secure with our advanced Universal Tablet Enclosure. Made from heavy-duty steel, this enclosure offers robust protection for a wide range of tablets. Designed to safeguard your device, it restricts access to the home button and is secured with an anti-theft lock. Mount directly to wall or to one of our VESA mounts for a flexible self-service or point-of-sale application.

## FEATURES

- **Secure:** Lockable enclosure prevents tampering and theft.
- **Durable:** Steel construction with internal silicone pads protects tablet.
- **Accessible:** Cable cutout for charging and wire management.
- **Compatible:** All tablet enclosures are VESA compatible making it easy to combine with our flexible mounting solutions (including our surface, floor, and wall mounting options).
