

**SITMATIC®**

# LIBRE™

**FREEDOM OF MOTION.**

Uniquely designed to let you move at your workstation!

# LIBRE FEATURES

## Absolute Relaxation

Allowing the elbows to sit slightly behind the shoulder blades to allows a more relaxing posture.

## Intuitive Lumbar Support

Finger tip lever locks where you put it. No other chair adjusts 6".

## The Perfect Height

Seat heights for any size individual. Five different seat heights, ranging between 15" and 34", ensure a perfect fit for everyone at every workstation.

## Unique Backrest Design

The spine well supported, shoulder blades automatically stretch back, and arms are free to move.

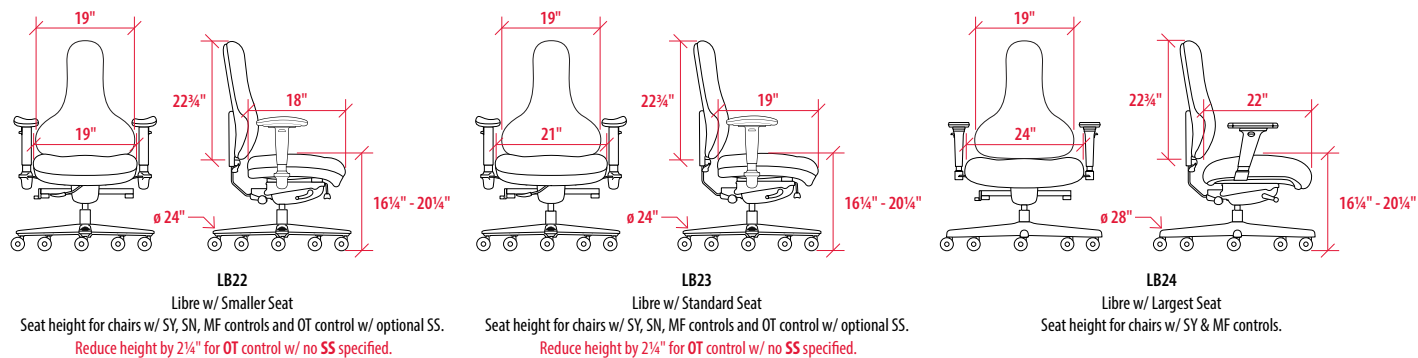

## PressureCast™ Cushions

Using a special formulation and cast under high pressure, PressureCast™ foam is incredibly resilient for comfort, yet high-density for longevity.

## Better Mobility

Oversized, 60 mm casters roll easily through plush carpet. Riveted for life-long durability. The aluminum base is cast as a single piece with no welds to break. A convenient foot perch is built-in to each base prong.

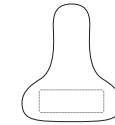

## OVERALL DIMENSIONS
