

SITMATIC®

POGO® & **FOOTSIE®**

STAY ACTIVE, STAY ENERGIZED.

Offering the greatest range of mobility in its class, Pogo keeps you productive all day long.

POGO® & FOOTSIIE® FEATURES

Easily Adjustable

Intuitive height adjustment ring is easily accessible from all angles.

Freedom of Motion

An unprecedented 70° of lateral range and 35° of lean set Pogo head and shoulders above the competition. No other stand assist product has this range of motion.

Non-Skid Base

Your safety is ensured with an industrial-grade steel base and rubber, anti-skid ring.

PressureCast™ Cushion

Using a special formulation and cast under high pressure, PressureCast™ foam is incredibly resilient for comfort, yet high-density for longevity.

The Perfect Height

Seat heights for any size individual. Three different seat heights, ranging between 18½" and 36¼", ensure a perfect lean for everyone.

Directional Indicator

The right orientation is easily achieved by simply pointing the indicator towards your worksurface.

Shiatsu Ridges

Designed for traction, strength, and a much needed end-of-day foot massage.

Dual Sided

Accommodating for flats or high heels.

100% Recycled Aluminum

Designed to last a lifetime, but can easily be recycled and repurposed when its job is done.
